Series: Transformation

Pastor Sam Owusu

**L**ove is one of the most written-about subjects in all of human history. No subject has occupied the minds and pens of poets, authors, songwriters, and novelists more than the subject of love. And the Bible is no exception. Love is mentioned hundreds and hundreds of times in different contexts in Scripture, exploring all of its different dimensions. Today we will gain a biblical understanding not only of how Jesus loves us but how His love transforms us.
