Transformed by the Spirit (part2)

Series: Transformation

Pastor Sam Owusu

In a recent survey, a large majority of adults in North America confessed to not believing in the Holy Spirit. Sixty percent agree that the Holy Spirit is a symbol of God's presence, but not a person. Is it any wonder that the church is not experiencing the transformational power of the Holy Spirit?

Study Guide

1. In what ways does the Holy Spirit draw people to Christ (see John 16:8-11)
How were you drawn to Christ?

2. Have you ever been especially aware of the Holy Spirit's empowering in a specific area of ministry? How did you perceive His presence?

3. Do you have a sense from time to time of the pleasure or displeasure of the Holy Spirit at some course of action you are taking? Is there anything in your life right now that is grieving the Holy Spirit? If yes, what do plan to do about it?

4. Did the Holy Spirit immediately leave Samson when he began to sin (see Judges 13:25; 14:6, 19; 15:14)? Why and why not? Is the presence of spiritual power in someone's ministry a guarantee that the Holy Spirit is pleased with all that occur in that person's life?
