What is Transformation?

Series: Transformation

Romans 12:1-2

Pastor Sam Owusu

Christ came to die in order to produce change in us. That change in the Bible is called “transformation.” It’s a biological term referring to the growth of an animal from one form to another. Sadly, millions of believers grow older but never grow up. They are stuck in perpetual spiritual infancy, remaining in diapers and booties. God’s intention for us is to be transformed into the image of His dear Son. How does that happen?
