Transformed by the Saints

Series: Transformation

Pastor Sam Owusu

The people of God are a huge part of our transformation process. The Bible knows nothing of solitary saints or spiritual hermits isolated from other. Today's culture of radical individualism has created many spiritual orphans. We need more than the Bible to grow; we need other believers. We grow faster and stronger by learning from each and being accountable to each other

Study Guide

1. What were some of your highlights in the sermon?

2. How do other believers help my transformation?

3. In light of 2 Timothy 3:16-17, what role should the Word of God play in the building up of believers individually as well as collectively? What should this mean in terms of the church's priorities?

4. What one step are you taking to connect with another believer?
