## **I Am a Child of God – part 2**

Bro. Henry Agbozo

**T**oday, we conclude our discussion on the implications of our position as people who are IN Christ. Uniquely, the child of God is highly privileged to have been called into a partnership with Christ, and Christ has freely offered to share so much with us. The knowledge that God Himself has called us to partner with Him is so exciting, so overwhelming and so profound. What a mystery and what a blessing; that we are partakers of this Divine/Human partnership.
