## **Living Dangerously**

Series: Stepping into the Supernatural

Hebrews 11:7

Pastor Sam Owusu

**W**e think the world we live in is dark and dangerous. But our world is a picnic compared to life just before the Genesis flood. In the face of wickedness so depraved that God destroyed it all, one man and his family were a light. We too live in a world of great wickedness, and God is looking for those who will stand by faith and obey Him just as Noah did.
