Walking with God

Series: Stepping into the Supernatural

Hebrews 11:5

Pastor Sam Owusu

Enoch's story is one of those we read in the Bible that leaves us longing for more details. Only nine verses in all the Bible mention him, but from these verses we learn about what kind of person he was. Often in Scripture we will have some small statement about a person as to their vocation or lifestyle. But with Enoch, all we know is that he was an ordinary man who walked with God.
