## **Principles of Faith**

Series: Stepping into the Supernatural

Hebrews 11:8-10

Pastor Sam Owusu

**A**braham's life was a life of faith from the moment God called him from Haran. He didn't live a perfect life, but he learned to believe God for the many of the promises made to him. And one thing that symbolizes Abraham's life is living in tents. He saw himself as a pilgrim and a stranger in this world. He had his sight set on a city whose builder and maker is God. In that way, he is a model to us today. We should live by faith in this world in light of it not being our ultimate home.
