The Power of Blessing

Series: Stepping into the Supernatural
Hebrews 11:20-21
Pastor Sam Owusu

What is a blessing? Is it a greeting or something you say to someone when they sneeze? Far more than that, a blessing is a releasing of God's favour on someone. I believe the most powerful thing you can say to someone is "God bless you." Unfortunately this phrase has lost its power because we are not attaching the same faith and value that the people in the Bible did.
