Facing Your Jericho

Series: Stepping into the Supernatural
Hebrews 11:30; Joshua 6

Pastor Sam Owusu

There is hardly a more dramatic and compelling story found in all of Scripture than the events surrounding the defeat of the city of Jericho by Joshua and his Israelite soldiers. Joshua's primary task, after succeeding Moses, was to conquer the existing peoples and drive them out of the land. Subduing Jericho was the first on the list, for it gave easier entrance into the northern and southern portions of Israel.
