God's Recipe for Victory

Judges 4:4-9

Pastor Rosemond Owusu

The Bible contains stories of great women. But perhaps the most unsung heroine is Deborah. She was a woman of great courage and intense resolve. Appointed by God to be a prophetess, her commitment to the things of eternal value was outstanding. She stood up when everyone was committing sin. She stood up against an oppressive enemy when the possibility of victory was hovering around zero. Will you stand up when Satan and his demons are tormenting your family, your marriage, your person and community?
