How to Identify the Voice of God

Series: How to Hear God's Voice

James 4:17

Pastor Sam Owusu

People often ask, “When I listen to God, how do I know if it is God speaking or some other voice?” Or, “I’ve asked the Lord to give me direction, but it’s as if I hear two voices. How do I know if God is the One I hear or if Satan is involved?” Those are legitimate questions that need be answered. Identifying who is doing the talking is essential if we are to listen accurately.
