Knowing the God We Worship

Series: Knowing the God we Worship

John 4:21-24

Pastor Sam Owusu

God tells us in the Bible who He is. Not only that, He also tells us how much He wants us to know Him. In this new teaching series, we will look at the Scriptures to find out who God is and how that is important to our faith and how we worship Him. We will begin by going into more detail about why knowing God is so important.
