God is Good

Series: Knowing the God we Worship

Psalm 145:3-16

Dr. Sam Owusu

When the Bible writers call God good, they are thinking of all those things about His character which we admire: His compassion, His mercy, His grace, and perhaps most of all, His generosity. God loves to lavish upon His children that which blesses them. He has an intense joy in His heart as He expresses His goodness to all of us. Our study today will show seven ways this attribute is shown to us.
