God is Love

Series: Knowing the God We Worship

1 John 4:8

Pastor Sam Owusu

The love of God is the one attribute of God that all of us understand in terms of our own needs. We bow at God's sovereignty and we almost cower at the holiness of God. We rejoice at His mercy and are encouraged by His faithfulness. But the love of God is something very special to us. Only three things are said to be the nature of God: God is light. God is a spirit. And God is love.
