God is Sovereign

Series: Knowing The God We Worship

Isaiah 46:9-10

Pastor Sam Owusu

The sovereignty of God affirms that God is the Lord of the universe and He is infinitely elevated above all of His creatures. He is absolutely independent and free and He is in control. He does whatever He pleases, always as He pleases and everywhere and forever as He pleases. Which simply means God is God. Today we will examine how this attribute affects us.

STUDY GUIDE

1. Reflect on the sermon. What are some of your highlights?
2. Read 1 Chronicles 28:2-6 and 29:1-20
 - Do you ever feel inspired to worship, thinking of the sovereignty of God?
 - Is God in charge of you? Do you acknowledge His right to rule and reign in your life?
3. Read Job 42:1-3. Are there any issues you are struggling with right now concerning God's way versus your way?

4. What should be our response when God is doing something in our lives that we do not understand?
