## **The Scouting Report**

1 Samuel 17

**Brother Mark Washington**

**A** good coach always prepares their players with a scouting report of the opponent they are to face. A scouting report informs the players of the enemies' tendencies, techniques & tactics and it is used to prepare them for battle. We will look at the exchange between David & Goliath in 1 Samuel 17 to see how our enemy (Satan) operates when he is challenging the people of God.
