Tithes and Offerings (Part 2)

Series: Investing for Eternity

Exodus 35:4-5

Dr. Sam Owusu

The tithe belongs to God and it's holy unto Him. The offering is our giving beyond and above our tithes. It is not mandatory, but voluntary. It involved the joy of the heart touched by grace. This vital aspect of giving is ignored by those who suppose that Old Testament giving was all about tithing. Voluntary giving was a big part of their worship. Today we will be looking at seven of these freewill offerings.

1. _____ offering

2. _____ offering

4. _____ offering

5. _____ offering

6. _____ offering

7. _____ offering
